

Jane Smith
Activities Resume
City High School
DOB 9/20/1990

National Honor Society: **(11,12)**

- Admission is dependant on GPA, extracurricular involvement and teacher recommendations.
- I was admitted in my junior year and continue to be involved in my senior year.
- As a member of NHS, I help organize the yearly blood drive, a Christmas toy drive, and the Special Friends Prom for disabled adults at the Friendship House.
- In my senior year I was elected as the Community Service Chair of NHS. In this role I will organize monthly service opportunities for NHS members. In addition to regular NHS meetings, I will also serve on the Executive Board and will attend Exec. Committee meetings each week.

Summer Service Team Leader: **(10,11,12)**

- Service group through my church
- Assist with Meals on Wheels, park and neighborhood cleanup and the local Food Bank
- Lead a small group of ten on our weekly service endeavors
- 6 weeks throughout the summer

Theater: **(9,10,11,12)**

- I have been involved with the theater program at my high school since my freshman year.
- Set design, lighting, ticket office, usher, chorus member (on-going throughout the four years)
- When a play is in production, we have rehearsal/meetings every day after school for at least two months prior to opening night. This includes weekend work as well.
- Assistant Director of Fall Musical, "My Fair Lady"

Hospital Volunteer: **(11,12)**

- Summer volunteer position for which I had to apply and be selected
- Assisted with menu distribution and taking meals to patients
- I also helped at the Information desk by welcoming and greeting guests.
- Delivered flowers and reading materials
- 100 hours of volunteering

Link Crew: **(11,12)**

- Assist with the transition from junior high to high school for incoming freshmen
- In my senior year I will be a Link Leader and will work with a group of 10 incoming students. I will organize weekly meetings to assist them through mentoring and social activities.
- As a leader, I not only lead my incoming students but I also lead other members of Link Crew in our activities.

School Ambassador: **(11,12)**

- Represent my high school within my community
- Speak on behalf of my school at local high school nights for prospective students in the area
- Help to organize and host our open house events where prospective students and their parents tour and hear about our school
- Act as a tour guide as well as speak about my experiences within my high school during Open House events

Yearbook: **(11,12)**

- Yearbook Editor for senior year
- Plan and lead weekly meetings
- Write articles
- Oversee page layout
- As Editor, I worked with our faculty sponsor to oversee, plan, and attend week-long summer camp to develop the yearbook's theme and format.

Mission Trips to Mexico **(10,11)**

- In the spring break of my sophomore and junior years, I traveled with members of my church youth group to Guaymas, Mexico.
- Helped build homes and work with the community
- I especially enjoyed working with the children.

Lifeguard **(10,11,12)**

- My primary duty is safety of the pool.
- Secondary duties include testing pool chemicals, keeping the pool area clean and customer service.
- Red Cross certified in lifeguard rescue skills, oxygen administration, CPR and First Aid
- During the summer months, I typically work 25 hours per week at the pool.

Speech & Debate Team: **(9,10,11,12)**

- Selected as captain for the senior year
- Practice three times per week for two hours
- Participate in meets every Saturday
- Devoted many hours of research
- Help mentor younger members of the team

Junior Varsity Track Team **(9,10)**

- Practiced every day for two hours
- Participated in the 100 and 200 meter competitions weekly

St. Cecelia's Vacation Bible School **(9,10)**

- Read and taught 4th and 5th graders about the Bible
- Supervised recess and organized games

National Youth Leadership Forum-Medicine **(11)**

- Spent 10 days at the University of Chicago learning about leadership and the medical field
- Practiced suturing and triage situations
- Listened to speakers, toured medical facilities and watched surgeries
- Participated in group-led discussions
